

eINVOICE SOFTWARE MODIFICATIONS

The following eInvoice software modifications will be in production on Thursday, June 21, 2001:

- On the Detail Invoice Display page the rate column truncation will be fixed.
- On the Detail Invoice Display page the column with @ as the column header will be taken out.
- On the Vendor View, Vendor Update, and Vendor Add pages ADPICS Dept will be changed to Department.
- On all view and update pages the Last Updated and By UserId labels will be made consistent.
